Re: Tonolli Incorporated Site
Newquehoning, PA

Dear Mr. Thomas:

Please be advised that I represent Kress Auto Wreckers. By letter dated July 8, 1988, he was informed that he may be a responsible party in the above-captioned.

My client disavows any knowledge as to his involvement in the above site. Therefore, I would be most appreciative if you would please outline for me, and provide me with a copy of any and all records, showing my clients involvement.

Very truly yours,

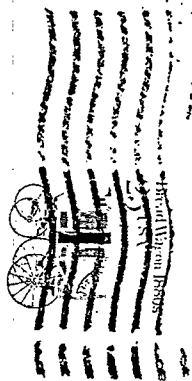

Joseph F. Sklarosky
